Dr. Laura Metcalfe

President's Corner

September 12, 2023

Greetings Sun City Democrats,

First, I want to thank Marsha for sending out the email

blast about the Covid alert and thank everyone for your support. Since I had all my boosters, my case was mild. Right now, the fever is gone and the cough is minimal. However, I urge everyone to continue to take precautions and take care of yourselves.

At our September meeting last week, those in attendance were treated to a presentation by and got to know Dr. Laura Metcalfe, a candidate for Superintendent of Schools for Maricopa County. She spoke very clearly and without hesitancy about the issues facing our public schools, districts, and special programs. She demonstrated that she has the knowledge and the skills to address them when she takes office. Her PowerPoint presentation is published on our website. If you missed it, please be sure to check it out.

The other major thing we did was to present the proposed revisions to our bylaws. Thanks to the committee for their thoughtful and thorough work. The PowerPoint presentation of the revisions is published on the website for your review. If you have any question, please do not hesitate to contact me at president@suncitydems.com. I will be happy to clarify the proposals. You will have the opportunity to vote to approve these revisions at the

October meeting. Many thanks to our By-Laws Committee: Terri Grant, Marcia Newman, and Jeannette Zemeida.

And finally, in response to several suggestions, a majority of the membership voted to recommend that I send a letter on the Club's behalf to the Secretary of State to invoke the 14 Amendment to bar Donald Trump from being placed on the ballot in the state of Arizona. I will be completing that within the next few weeks.
